**Reading and Book Autograph Session at Rose Mary Brooks Place**

**with Carlisle Author, Marilyn Bell**

**Tuesday, July 9, 2 PM**

One glorious day, the *Cynthiahna Democrat* announced a writing contest at Maysville Community College. Marilyn T. Bell submitted one of her favorite stories and WON! the Lane award for Most Outstanding Entry. Writing became her top priority. The winning story, *Saturday Nights*, appears in her first collection, *Stories for Little Old Ladies*. A warm reception for her first book prompted a second entitled *More Stories for Little Old Ladies* (and little old men). The title was edited to include men after several male friends confessed they read and enjoyed the first book.

Working on a third collection, Marilyn began a story about two men and how they treated women, one woman in particular. A year and 376 pages later, *Look For The Beautiful* was in print and being read and passed around by readers in the Cynthiahna Public Library and the Cynthiahna Christian Church library.

Bruce Florence of the Cynthiahna Democrat says Marilyn’s stories are “page-turners” dealing with “heartache, abuse, grief, love, lust, greed and jealousy.”

Ms. Florence’s presentation in the dining room of Rose Mary C. Brooks Place is free and open to the Public. She will read from her books and answer audience questions about her writing. Books will be available for purchase and autographing.

**The American Experience:**

**Alexander Hamilton**

**Monday, July 22, 6 PM**

Alexander Hamilton was the embodiment of the American dream — precocious, self-made, an immigrant. The legacy of his short life is immense. As first Secretary of the Treasury, Hamilton was architect of America’s economy, rescuing the young country from bankruptcy after the Revolutionary War, creating the first national bank, establishing a national currency, founding the Coast Guard, and laying the groundwork for Wall Street.

He was loathed and feared by two presidents. His inflexibility fractured a party. His personal indiscretions dashed his hopes of leading the nation. But before he died a notorious death — in a duel with Aaron Burr — Alexander Hamilton was the most powerful man in America next to George Washington and arguably the most significant person in American history who never served as president.

This 2 hour PBS special brings to life this great American. Please register to attend.
