HISTORY

We're the Sophomores, an industrious group, you know. The members of the Sophomore Class sponsored a Sock Hop for the whole school. We have 15 members in the Faculty honor club and several of our number have received the Signifer Magni Honoris.

The Sophomores have ten students in the Pep Club. We have contributed five members to the Junior Sportsman Club. The Glee Club is also made up of a large number of Sophomores. Six of us are members of the debate team and the band has four of our members.

We Sophomores won the Basketball Tournament between classes. We defeated the Seniors and the faculty in the first two rounds and then we marched by the Freshmen to take the crown of champion.

HISTORY

Yes, we are freshmen. In the estimation of the juniors and seniors we are insignificant, scared, and ignorant. We try not to be conceited and haughty. We are just freshmen—popular and noisy.

The freshmen have furnished pupils for the Glee Club, Junior Sportsman Club, football and basketball teams, band, and the Faculty Honor Club. Five Junior High cheerleaders, three majorettes, debater, and several Signifer Magni Honoris members have come from our class.

A new man was added to the coaching staff about mid-season. He was Homer "Dude" Fanning. Mr. Hile and Mr. Fanning were Co-coaches for the remainder of the season.
