6. Once you login for the first time, Kanopy will need to link your Library account.

7. Now you are all set to watch! Kanopy will explain the limits on viewing, most importantly **10 film credits per month, 3 days to watch each film. Credits reset at the first of each month.**

Here's how it works:

- ▶ Up to 10 films per month
Your library has generously given you 10 play credits every month.
- 🕒 3 days to watch each film
Once you press play on a film, you have 3 days to view it as many times as you like without using another play credit.
- 📅 Play credits reset on the 1st of the month
Once you have reached your quota of films, you will not be able to play any films until the new month starts when you will be given a fresh quota of 10 play credits again.
- 📱 Any device
You can access Kanopy from any device, including iOS, Android, Apple TV, Roku, Chromecast, and many more! See all supported mobile and TV apps here.
