Wrong Place, Wrong Time by Gillian McAllister
Monday, November 27th - 11 AM

Can you stop a murder after it's already happened? It is midnight on the morning of Halloween, and Jen anxiously waits for her 18-year-old son, Todd, to return home. But worries about his broken curfew transform into something much more dangerous when Todd finally emerges from the darkness. As Jen watches through the window, she sees her funny, seemingly happy teenage son stab a total stranger.

She doesn't know who the victim is, or why Todd has committed such a devastating act of violence. All she knows is that her life, and Todd's, have been shattered.

Both the story of a mother's love and the sacrifices she will make for her child, and a thriller with a brilliant twist, Wrong Place Wrong Time is a one-of-a-kind novel that begs to be read in one sitting.
